No permanent personnel or student personnel will knowingly use unauthorized assistance in submitted work designated to represent one's own efforts or to knowingly fail to indicate properly any authorized assistance received. No permanent personnel or student personnel will submit another person's work, whether published or unpublished, or ideas by claiming them as one's own and not giving proper reference to that work. Further, no permanent personnel or student personnel will knowingly condone any of these actions taken by other permanent personnel or student personnel.
